Table Insert Collection

RECOMMENDED INSERTS

A curated selection of vinyl, faux suede and decorative laminate inserts chosen for their durability, performance and aesthetic versatility across a range of applications.

Additional material options are available to explore.

LUSTRELL RANGER

A durable commercial vinyl with a subtle embossed grain, offering excellent abrasion resistance, easy maintenance and a refined, matte finish.

Ideal for dining, bar and cafe tables.

MACROSUEDE

A soft-touch faux suede with a refined matte finish, creating a warm, tactile surface suited to relaxed commercial interiors.

Ideal for library, games and activity tables.

LAMITAK

A decorative laminate with exceptional durability, available in a solid colours and stone-look finishes to complement a wide variety of interiors.

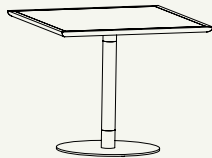

Ideal for dining, bar, cafe and high-use communal tables.

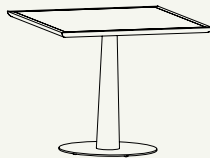

TABLE INSERT COLLECTION

A considered collection of square-format tables designed for flexibility across retirement and aged care environments.

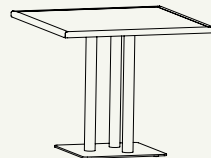

Available in standard sizes of 800, 900 and 1000mm, with custom sizing options available to support tailored project requirements.
